In May, NAWM celebrates **American Wetlands Month**

We're launching an important new initiative.
Frogs Can't Hold Fundraisers, But We Can!

Due to a sudden loss in federal funding, we've set a goal to raise \$200,000 over the next six months. This campaign will help us continue our vital wetland protection work and keep our popular educational webinars going strong. These webinars are key to raising awareness and building the tools communities need to take action. Help the wetlands and the work we do to protect them.
