## About our Audience:

NAWM's annual State/Tribal/Federal Coordination meeting is unique from other annual conferences in that the STFC meeting is a much more intimate event with an average of 130 participants. The audience is generally made up of professionals working for federal, state or tribal governments, with representatives from the non-profit, academic and private sectors. Audience members are generally well-educated with a mix of seasoned professionals and those new to their careers.
